三、出行与返校

1. 出行报备

This is the '出行报备' (Travel Reporting) form. It includes a '基本信息' (Basic Information) section with fields for '用户名' (Username) and '姓名' (Name). The '出行信息' (Travel Information) section contains: '报备类型' (Reporting Type) with '当天进出' (In/Out Today) selected and '外出申请' (Outward Application) as an option; '出行区域' (Travel Area) with a '请选择' (Please select) prompt; and '外出原因' (Outward Reason) with a text input field. A '提交' (Submit) button is at the bottom.

2. 返校管理

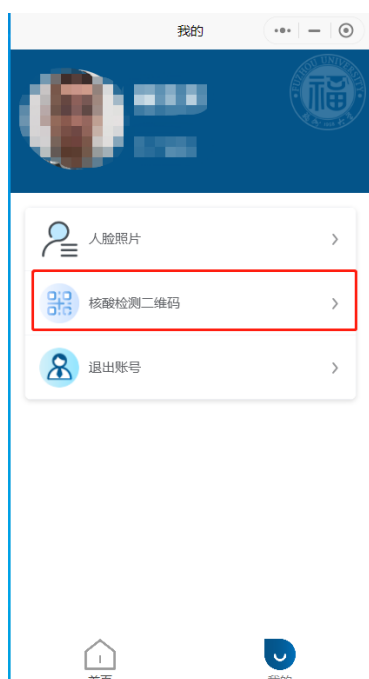

This is the '返校管理' (Return School Management) form. It includes a '基本信息' (Basic Information) section with '用户名' (Username) and '姓名' (Name) fields. The '返校信息' (Return School Information) section contains: '返校类型' (Return School Type) with '返校' (Return School) selected and '销假' (Cancel Leave) as an option; '申请返校时间' (Apply Return School Time) with a '请选择返校时间' (Please select return school time) prompt; and '当前假条' (Current Leave Slip) with a '请选择假条' (Please select leave slip) dropdown. There is a '补充材料' (Supplementary Materials) section with an '上传材料' (Upload Materials) button. At the bottom, there is a checkbox for '院领导审批' (Dean Approval) with a note: '我已确认提交返校申请时, 核酸采样时间在到校48小时内, 以确保系统正常校验' (I have confirmed that when submitting the return school application, the nucleic acid sampling time is within 48 hours of arrival on campus to ensure the system's normal verification). A '提交' (Submit) button is at the bottom.
